However, all students must satisfactorily complete all subject matter prior to graduation unless credit has been allowed for previous training in a particular subject area. Successful graduates will be awarded an appropriate diploma upon completion of their training program.

HEALTH CONSIDERATIONS: Generally, the professional in the beauty field must be in good physical health for he/she will be working in direct physical contact with patrons. In most aspects of the beauty culture field there is a great deal of standing, walking, pushing, bending and stretching, and sometimes for long periods of time. A person must consider his/her physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students with physical limitations or disabilities if these students believe they can fulfill training demands.

OWNERSHIP: Santa Ana Beauty Academy Inc. owns and operates Santa Ana Beauty Academy.

BANKRUPTCY: Santa Ana Beauty Academy has never filed for bankruptcy petition, operated as a debtor in possession, or had a petition of bankruptcy filed against it under federal law.

STUDENT CLOCK HOUR POLICY: The Board of Barber and Cosmetology will only recognize time-clock punched hours of attendance, as a result of this requirement this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their class day and lunch period. You will be given up to seven (**7**) minutes to clock in and receive credit for the quarter (1/4) hour. This seven-minute period applies to starting of the class day. A thirty (30) minute lunch break shall be taken when a student attends a 6-hour class day or more. If you are attending less than a 6-hour class day and desire to take a lunch break (30 minutes), then the half hour must be deducted from your daily total and you must clock in/out on your time card for the lunch break. Once theory classes have been started no one will be allowed to enter the theory classroom. At the completion of the day, your time card is prepared from the current weekly time card. The daily hours and operations earned are added to the totals in the prior column and final totals transferred to the cumulative column. These cumulative figures are then entered in the prior column on the weekly time card. The time card must be signed by the student and the instructor daily. **Instructors may not sign a student in or out and if a student does not clock in our out at lunch, 30 minutes for lunch will be deducted.**

Time cards reflect the student's daily record of hours and operations. It is important that all of your hours and operations are recorded properly and accurately. The attendance personnel must be able to read your time card so that the hours and operations are transferred correctly to the roster. The time cards are the property of the school and must remain in the school at all times. Time cards must be retained/stored in their entirety for 6 years by the school. After clocking in you are required to maintain applied effort, personnel grooming, leaving the building, reading material not related to your training or activity not related to your training is not tolerated. If this occurs, you will be asked to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in your termination.

TIME CARD CREDIT: The following is a guideline for the instructor to issue credits.

1. Each Theory must be initialed in the proper category. If that category is complete, the instructor may issue credit in a comparative category.
2. The portion of the time card reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated.
3. The portion of the time card concerning operations is to be applied efforts of the students as they manually perform practical subject.
4. Some practical operations may take longer to perform according to the student. Note the following time frame

the Program gives for each operation: **Shampoo/set = 1 1/2 hours, Scalp Treatment = 1/2 to 1 hour, Permanent Wave = 2 to 2 1/2 hours, Facial = 1 1/2 to 2 hours, Manicure = 1/2 hour, Hair cut = 1/2 to 1 hour.** Using the above, the Board would understandably not consider a student capable of performing more than 3 permanent waves per day.

PLACEMENT: Job placement assistance is provided to graduates and students at no additional charge. Upon graduation, student's name is recorded in student registrar and the process of follow-up begins. When students take the licensing examination, it is recorded as a pass or fail. Students are encouraged to return for placement assistance by reviewing the listings of salons seeking employees and the requirements, salary, and other pertinent information. Students are sent on interviews and the results of these interviews are recorded in the student register. The school may show prospective students this register upon request. **Ms. Tammy Nguyen** assists students in placements as often as needed; however, the academy does **not** guarantee employment to any student.

CAREER COUNSELING AND PERSONAL ATTENTION: Students are counseled individually, as often as necessary at least every six weeks to review the student's progress and adjustment. Successful Salon Owners and Stylists are scheduled into the school regularly to give demonstration and discuss career goals, etc. with the students. This activity supplements the daily counseling carried out by the instructors and supervisor. Students may request additional counseling sessions at any time. Students are given personal attention assistance at every stage of training from the first day of enrollment to the day of graduation. At predetermined intervals, measuring instruments are utilized to evaluate the rate and quality of the student and remedial assignments are made when required. Particular attention is given to preparation for the Board of Barber & Cosmetology Examination.

HOUSING: The Academy does not offer housing service for students.

VOTER REGISTRATION: You may register to vote by completing the online voter registration form at www.sos.ca.gov/nvrc/fedform/ and then mailing it to the pre-printed address on the form. Family Educational Rights and Privacy Act (FERPA)

All information in the student files would be available to any governing state agency, accrediting agency and federal agency during the process of reviewing the school's normal approvals, accreditations, eligibilities, and other matters conducted by those agencies without the specific consent of the student and/or parents.

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

School officials with legitimate educational interest;

Other schools to which a student is transferring;

Specified officials for audit or evaluation purposes;

Appropriate parties in connection with financial aid to a student;

Organizations conducting certain studies for or on behalf of the school;

Accrediting organizations;

To comply with a judicial order or lawfully issued subpoena;

Appropriate officials in cases of health and safety emergencies; and

State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

2. All students and employees are required to report any crime or emergency to their institutional official promptly. If a student or employee wishes to report a crime on a voluntary or confidential basis, the institutional official will be prepared to record and report the crime, but not the name of the informant. The student or employee may, in order to maintain confidentiality, submit the information in writing to his/her institutional official without signature. If the student wishes not to maintain confidentiality, the student will contact his/her teacher or school official who in turn will contact the nearest supervisor to report criminal actions or emergencies to the appropriate agency by calling (911). Information regarding any crimes committed on the campus or leased/attached properties (parking lot) will be available and posted in a conspicuous place within two (2) business days after the reporting of the crime and be available for sixty (60) business days during normal business hours, unless the disclosure is prohibited by law, would jeopardize the confidentiality of the victim or an ongoing criminal investigation, would jeopardize the safety of an individual, would cause a suspect to flee or evade detection, or would result in the destruction of evidence. Once the reason for the lack of disclosure is no longer in force, the institution must disclose the information. If there is a request for information that is older than sixty 60 days, that information must be made available within two (2) business days of the request.
6. The institution does not offer regularly scheduled crime awareness or prevention programs other than orientation where all the institution's policies and regulations are properly disclosed to prospective students.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

Santa Ana Beauty Academy applies its Satisfactory Academic Progress (SAP) to every student enrolled in the academy. Any prospective student should read and consider the SAP policy before enrollment. The academy's SAP policy is applied consistently to all students enrolled in a specific program and scheduled for a particular category of attendance (part-time/full-time).

The student must:

1. Maintain a cumulative academic average of "C" (70%) or better on all tests, work projects (operations) and other required course work.
2. Maintain a cumulative average attendance level of at least two-thirds (2/3) (67%) of the scheduled hours indicated on their enrollment contract. For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 20 hours per week ($2/3 \times 30 = 20$).

Regardless of the average level of attendance, students who have more than two consecutive weeks of absences (14 calendar days) will be dismissed. This standard shall apply to all students except those on an approved Leave-of-Absence (see LOA policy). Students who expect to be absent 14 or more days up to 180 days are encouraged to request a Leave-of-Absence. In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness. These policies are outlined in the "School Rules" section of this catalog on pages **22-23**.

3. Complete the course within one and one-half times (150%) the length of the course as defined in the catalog. For example, a student who enrolls in a 400 hour/ 20-week long Manicuring program must complete within 30 weeks. Any student, who exceeds the maximum time frame, will be terminated. For the purpose of determining the maximum time frame, transfer hours from another institution that are accepted toward the student's educational program are counted both as attempted and completed hours.
4. Students must meet minimum academic and attendance requirements for each evaluation period of the course to be considered as making satisfactory academic progress until the next scheduled evaluation.

EVALUATION PERIODS: Students' compliance with the Satisfactory Academic Progress is divided into evaluation periods and is assessed at each of the following times (all hours are **scheduled hours completed**):

- * **Cosmetology:** When a student is scheduled to complete 450, 900, 1250 and 1600 hours
- * **Barber:** When a student is scheduled to complete 450, 900, 1200 and 1500 hours
- * **Manicuring:** When a student is scheduled to complete 200 and 400 hours
- * **Skin Care/Esthetician:** When a student is scheduled to complete 300 and 600 hours
- * **Barber Crossover:** When a student is scheduled to complete 200 and 400 hours.

All SAP evaluation shall be completed within seven (7) business days following the evaluation points. Students are required to sign every SAP evaluation form and will receive a copy of every SAP evaluation form.

GRADING SYSTEM: Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. Evaluation forms are issued to the students upon completion of each increment of the course hours as explained above for student's review. This evaluation form reflects the overall Attendance and Academic progress of the student. Students must maintain a minimum of "C" (**70%**) cumulative grade average or practical evaluation to maintain satisfactory academic progress status. The system detailed below is the system utilized in the school.

ACADEMIC GRADING

100% - 90% **A.....Excellent**
89% - 80% **B.....Above Average**
79% - 70% **C.....Average**
69% - 60% **D.....Unsatisfactory**
59% - 00 % **F.....Fail**

POINT GRADES FOR PRACTICAL WORK

(GPA 4) **4 POINTS = A**
(GPA 3) **3 POINTS = B**
(GPA 2) **2 POINTS = C**
(GPA 1) **1 POINTS = D**
(GPA 0) **0 POINTS = F**

ATTENDANCE STATUS: Full time: Any student scheduled to attend 24 hours or more per week are considered to be full-time students. Half time enrollment requires a minimum of 12 hours per week. Part-time enrollment is defined as more than 12 but less than 24 hours per week. Less than 12 hours per week is less than half time.

ACADEMIC PROGRESS WARNING: Students who fall below the above standards at the Satisfactory Academic Progress evaluation point will be placed on Academic Progress Warning until the next scheduled SAP evaluation point. A student is considered to be making unsatisfactory progress while on Warning but is still eligible for Financial Aid. If the student does not improve either grades and/or attendance by the end of the evaluation point, they will be ineligible for financial aid. Students on warning status can reestablish SAP if they meet the college's SAP requirement at the next evaluation point.

ACADEMIC PROGRESS PROBATION: A student who fails to make satisfactory progress during the warning period is no longer eligible for Title IV, HEA program funds, unless the student has prevailed upon appeal of the determination that has resulted in the status of probation. Students who fail to meet SAP standards during an academic progress warning period will be placed on academic progress probation for one additional evaluation period, if the student prevails upon appeal of a negative progress determination, and if the academy determines that SAP standards can be met by the end of the subsequent evaluation period or the academy develops an academic plan for the student, if followed, will ensure that the student is able to meet the academy's SAP requirement by a specific point within the maximum timeframe established for the individual student.

Students on SAP probation will be notified by the academy that they are no longer eligible to receive additional Title IV financial aid if they don't establish SAP during the probation period. For the students under SAP probation, satisfactory academic progress and financial aid eligibility will be reinstated only after the student has re-established SAP in accordance with the attendance and grading standards indicated in STANDARDS 1, 2, 3 & 4 of SAP standards as described on page 19 of the school catalog. Probationary students who meet SAP by the conclusion of the probationary period will be removed from academic probation and will be considered making SAP and eligible to receive further financial aid.

Probationary students who fail to meet SAP by the conclusion of the probationary period will be deemed not to be making satisfactory academic progress, and may be terminated at the discretion of the institution. In the event a student is terminated due to not making Satisfactory Academic Progress, all policies regarding the institution's refund policy will apply.

APPEAL PROCEDURES: Students who wish to appeal the decision that they are not making Satisfactory Academic Progress must submit a written request to the institution's administrator. The letter should be received within fourteen (14) days of academy's determination and must describe any circumstances related to the student's academic standing which the student believes deserve special consideration such as but not limited to, an injury or illness of the student, death in the family or other special circumstances. The student can attach documentation regarding why the student failed to make SAP and what has changed in the student's situation that will allow the achievement of SAP at the next evaluation period, such as but not limited to doctor's note, death certificate etc. The administrator shall evaluate the appeal within a reasonable time frame (7 days) and notify the student in writing of the administrator's decision. Should the student's appeal be denied, he or she may appear before a school committee to present his or her case. The committee shall provide written notice to the student of its decision within a reasonable time frame (7 days). The decision of the committee shall be final. All the results of the appeal procedures will be documented in the student's file. All the copies of student's request and academy's decisions will be kept in the student's file.

REINSTATEMENT OF FINANCIAL AID ELIGIBILITY: Financial aid recipients, who lose their eligibility for financial aid due to unsatisfactory progress or to other forms of disciplinary actions, may have their financial aid reinstated. Conditions for reinstatement include, but are not limited to, the achievement of academic standing consistent with graduation requirements. The student may request reinstatement by writing a letter documenting the reasons the student believes he/she should be reinstated. The school committee reviews such requests after academic advising with the student.

TRANSFER HOURS: Transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. For students with transfer hours, SAP evaluation periods are based on actual contracted hours at the academy.

COURSE INCOMPLETENESS: Course incompleteness, repetitions and non-credit remedial course are not applicable to this institution's form of instruction. Thus, course incompletes, repetition and non-credit remedial courses have no effect upon the academy's SAP standards.

RE-ENTRY POLICY: All students who withdraw may re-enter into the program without the loss of credit hours provided it is within six (6) years from the date of their withdrawal. Most records of the student are stored for six (6) years only and it is the responsibility of the student to maintain all documents received from the institution beyond the six-year period. The institution reserves the right to evaluate the previous enrollment and to verify that the student was in good standing with the academy before the student is accepted for re-enrollment. If accepted by the academy the student will re-enter in the same academic progress status as she/he left.

LEAVE OF ABSENCE: Occasionally, students may experience extended personal, medical or other problems which make it difficult to attend class. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program for up to 180 days in a 12-month period. The LOA must be requested in writing by the student and must be approved by the school officer. The LOA request form must be filled out and the date of leave and return must be stated on the form prior to the officer approving the LOA. An institution may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances, if the institution documents the reason for its decision and collects the request from the students at a later date. In this example, the beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident. Do not request a Leave of Absence unless you absolutely need one. To be granted an approved LOA there must be a reasonable expectation that the student will return from the LOA. A student on approved LOA that meets these criteria is not considered withdrawn. Therefore no refund calculation is required. Students on LOA's will not be assessed any additional charges of tuition. Students returning from an authorized LOA will retain all credit for clock hours and work projects completed and will be returned to the academic progress status they held prior to the start of the leave of absence. In addition, students returning from a LOA will have his/her contract period and maximum time frame to complete the course extended by the same number of days taken in the leave of absence. Students who fail to return from a LOA will be considered withdrawn as of the last class day of attendance prior to the start of the leave and the official determination date will be the expected return date of the leave of absence. The refund calculation will be performed and all refunds due will be issued to the student or appropriate agencies and paid within 45 days of the official determination date.

ATTENANCE POLICY, TARDY AND MAKE-UP POLICIES: Attendance must be maintained at an average of 67 percent of the scheduled attendance if the student is expected to complete the course of study within the 1.5 times of the period of time stated in the enrollment agreement. An absence may be excused by calling-in the same day prior to the beginning of class. Frequent tardiness and/or absences are cause for disciplinary action such as probation or dismissal. The instructor in charge will review excessive tardiness or absences with the student to determine possible corrective action to the issue on hand. Students are required to make-up for the lessons, and exams missed due to absenteeism. Make-up work will not be permitted during class hours. A record of make-up work is maintained for each student who is required to perform this type of work. If the student is absent during two (2) consecutive weeks, the school will withdraw him/her.

(2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

EXTRA INSTRUCTION CHARGES: Students are expected to complete their training within the maximum time allowed as specified in Enrollment Agreement. If a student exceeds the on time completion date, an extra instruction charge will be assessed for the additional time necessary to complete the required hours based on the student's scheduled hours of attendance (not the actual hours attended). An addendum to the enrollment contract will reflect the hours to complete and rate per hour as \$6.125/hour.

COLLECTION OF TUITION: Students are expected to contribute from their own family resources toward the student's cost of attendance. At the student's option, the academy may accept payment in full for tuition and fees after the student has been accepted and enrolled and the date of the first class session is disclosed on the enrollment agreement for Manicuring and Barber Crossover courses. For students enrolled in Cosmetology, Barber and Skin Care courses, the academy charges tuition proportionately according to the payment periods, which shall not exceed more than one term or four months of advance payment of tuition at a time. Federal student financial aid is available to those that qualify to cover educational expenses. Financial aid (Pell grant) is a gift aid that does not need to be repaid. It is the policy of this institution to request from the student whenever possible, to contribute toward their school charges by making monthly or weekly installments in accordance to their means. It is also our policy to discourage students from borrowing loan funds unless is necessary. All estimates of available funds from financial aid will be first used to cover institutional charges; if funds remain available, they will be disbursed directly to the student. For information on the aid programs, please contact the financial aid office. The entire educational expenses need to be included in planning the student's ability to meet those expenses. All school charges must be paid in full before graduation. The academy accepts cash, check, debit/credit card and money order.

THE ACADEMY RESERVES THE RIGHT TO CHANGE THE TUITION AND FEES AND MAKE SUBJECT CHANGES WITHOUT PRIOR NOTICE WHEN NECESSARY. ANY CHANGE WILL NOT AFFECT STUDENTS WHO ARE ALREADY ATTENDING.

RIGHT TO WITHHOLD TRANSCRIPTS AND GRADES FOR NON-PAYMENT OF TUITION:

An institution may withhold a student's transcript or grades if the student is in default on a student tuition

contract. If the course of study consists of only one course, the institution may withhold the grades or the transcript until the tuition or loan obligation is paid in full. **CEC. Section 94828 per BPPVE Reform Act January 1, 1998.**

SCHOLARSHIP: The Academy does not award any institutional scholarship incentive.

*****PRE-APPLICATION FOR LICENSING EXAM:** Students will be allowed to pre-apply for the licensing exam provided they have paid their account in full at the appropriate pre-application clock hours and provided they have maintained a 90% attendance ratio throughout their program of study and have not received any suspensions. Out of state and transfer students will not be allowed to pre-apply.

WITHDRAWAL AND REFUND POLICY AND PROCEDURE

Santa Ana Beauty Academy's withdrawal and refund policy applies to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure. The academy's withdrawal and refund policy complies with all federal and state regulatory agencies such as UDSE and BPPE etc.

STUDENT'S RIGHT TO CANCEL: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid except a \$150.00 non-refundable registration fee through attendance at the first class session (first day of classes), or the seventh day after enrollment (seven days from date when enrollment agreement was signed), whichever is later.

The notice of cancellation shall be in writing and submitted directly to the Registrar Office. A withdrawal may be initiated by the student's written notice or by the institution due to student's academics or conduct, including, but not necessarily limited to, a student's lack of attendance. The withdrawal date will be determined by the postmark on written notification, or the date said information is delivered in person.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

The date you notify the Registrar office of your intent to withdraw. Only the Registrar office would be authorized to accept a notification of your intent to withdraw.
The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
The date you fail to attend classes for a two-week (14 days) period and fail to inform the school that you are not withdrawing.
The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA. If a student on an approved LOA notifies the academy that he or she will not be returning, the date of withdrawal determination the earlier of the scheduled date of return from LOA or the date the student notifies the academy that the student will not return.

REFUND POLICY: : After the cancellation period, the institution provides a pro rata refund of **ALL** funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has incurred (**including absences**), there will be no refund to the student.

A registration fee of \$ 150.00 and STRF fee is non-refundable item. Equipment, books, supplies, tools, uniforms, kits and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student.

If you cancel the agreement within the cancellation period, the school will refund any money that you paid, less any deduction for registration fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. The academy will perform refund calculation within 6 weeks of official determination of withdrawal. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal determination date. See Refunds section below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student's notification or school's determination.

Rejected Enrollment: All funds paid except a non-refundable registration fee will be returned if the student is rejected for enrollment.

Course Cancellation: If a course is canceled subsequent to a student's enrollment and before instruction in the course has begun, the school shall at its option: 1. Provide a full refund of all money paid; or 2. Provide for completion of the course at schools in the neighborhood.

School Closure: If the school closes subsequent to a student's enrollment and before instruction in the course has begun, the school shall at its option: 1. Provide a pro-rata refund of all money paid; or 2. Provide for the prompt completion of the course at schools in the neighborhood with no additional charge. 3. BBC will notify students individually of the availability of these arrangements or teach-out plans and advertise them as such. 4. Submit the list of all students who were enrolled at the time of closure including the amount of each pro-rata refund to all relevant agencies and dispose school records in accordance with state laws.

WITHDRAWAL CALCULATIONS

Once the student has been determined by the academy to have withdrawn from the course of study, the academy will determine **if the student received or was entitled to receive Federal Funds from the Title IV Financial aid programs available at the academy during the payment period (or enrollment period)**. If the answer is **YES**, the academy will conduct **two distinctive and different calculations**. Those calculations are described as follows.

RETURN OF TITLE IV FUNDS: This formula determines the percentage of time (scheduled hours) that the student completed of the payment period or enrollment period in a course at the time of the student's withdrawal. This percentage is then applied to the amount of Federal Funds from the Title IV programs that the student received or could have received in the same payment period or enrollment period. The result of this calculation is defined as earned funds. If the student received more than the earned amount, the overpayment is called unearned funds and must be returned to the programs in the following order: 1. Pell Grant, 2. Other Recourse and 3. The student.

If the calculation shows that the student owes funds to the grant programs, the liability of the student is limited to the amount by which the original grant overpayment amount exceeds half of the total Title IV grant funds received by student. A student does not have to repay a grant overpayment of \$50 or less per program. These funds are due from the student within 45 days. If not paid in that time and if the student has not made arrangements with the Department to pay that amount, the student will be referred to NSLDS, a central system that will show the student ineligible for aid until the matter is taken care of by the student.

NOTE: If the institution was required by this calculation to return to the programs some of the funds it has collected as tuition payment, the student's tuition account would be adjusted accordingly. Therefore, if the tuition was paid in full, but if the institution returned funds to the programs, the tuition account will show that the student owes that amount returned by the institution to the programs. Those refunds will be paid to the program funds in accordance to the order listed above, limited to the amount of funds that came from each aid program within 45 calendar days from the determination of withdrawal from school date.

POST WITHDRAWAL DISBURSEMENT: If the calculation shows that the student received less aid than What the student earned within the payment period or enrollment period, and then the student would be notified by the institution of the amount of Grant funds used to cover institutional charges incurred by the student, or the available amount from Grant funds for direct disbursement to the student for other educational related expenses. If loan funds are involved in this calculation, the institution will notify the student or parent of the loan amount it

wishes to utilize to cover educational charges, the financial aid program where the funds are coming from and the student will be reminded of the responsibilities involved in receiving loan funds. The student or parent in the case of PLUS will be given 14 days to respond and accept or reject part or all of the loan funds available. The institution will honor late acceptances only at the institutional discretion.

Once this calculation is finalized, the institution will then perform a **second and different calculation** using the net funds retained (original tuition payments minus amounts refunded) to determine the amount of institutional charges earned by the institution during the payment or enrollment period. That calculation is known as the institutional refund policy calculation

THE INSTITUTIONAL REFUND POLICY

This is a calculation mandated by the state agency, the accrediting agency or the institution itself. The formula takes into consideration the percentage of the course completed and it applies that percentage or the corresponding brackets to the institutional charges to determine how much the institution earned of those charges, how much was paid toward those charges and finally the amount owed, if any, by the student to the school or if there is an amount due from the institution as a refund to the Title IV aid program. Those refunds will be paid to the program funds in accordance to the order listed above, limited to the amount of funds that came from each aid program within 45 calendar days from the Determination of withdrawal from school date.

Hypothetical Refund Example: The following table outlines the refund due based on percentage of training completed, using scheduled hours, assuming you paid following:

Total Tuition	Less Registration fee	Less Kit/books	Less STRF fee	Tuition Cost
\$11,450.00	\$150.00	\$1,500.00	\$0	\$9,800.00

Tuition Cost	Hours in Course	Hourly charge	Tuition Paid	Hours attended	Tuition owed	Refund due
\$9,800.00	1600 Hours	\$ 6.125/ Hour	\$9,800.00	600 Hours	\$3,675.00	\$6,125.00

FEDERAL STUDENT AID (FSA)

Based on a combination of approvals, authorization, and accreditation, our students at Santa Ana Beauty Academy (SABA) are eligible to apply for and receive Federal PELL Grant (FPELL) while attending the college. FPELL is a gift from Federal Government for the students who qualify. Students do **not** need to pay back the FPELL.

FINANCIAL AID MECHANISM: Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. **Loans usually have low interest rates that a student must repay in accordance to the individual loan program terms.** Most of the loans can be arranged to require payment after a grace period of several months upon graduation, or upon the student's termination from the program or if a student's attendance falls below half time. Financial aid is awarded to students who have "need". Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school. If you obtain a loan to pay for an educational program, you will be responsible to repay the full amount of the loan plus interest, less amount of any refund, and that, if the student has received federal student aid funds, the student is entitled to a refund of the money not paid from federal student aid program funds.

*Santa Ana Beauty Academy does not participate in Federal Student Loan program.

GENERAL FINANCIAL AID INFORMATION: If you wish to apply for FSA or you have questions, or you need sections of the Catalog clarified, contact the Financial Aid Office (FAO) at the academy. Additional information regarding the Federal Student Aid programs may be found in "Funding Education Beyond High School" and the "Free Application for Federal Student Aid" published by the U.S. Department of Education. Additional information may be obtained by calling the Federal Student Aid Information Center at 1 (800) 433-3243, TTY 1 (800) 730-8913, or logging on to the Internet at <http://studentaid.ed.gov>.

COMPLIANCE STATEMENT: The Federal Privacy Act of 1974 requires that students be notified that the disclosure of his/her social security number is mandatory. The social security number is used to verify students' identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state or private programs.

APPLICATION FOR AID, PROCEDURES AND FORMS

Financial aid application for the academy is Free Application for Federal Student Aid (FAFSA). This form needs to be completed as instructed on the form. Documentation to substantiate the data entered on the form may be required by the FAO. Forms and assistance in completing them are available at SABA during school hours. In addition to the FAFSA, SABA requires a series of forms as they apply to the individual student aid program and to the student's individual family circumstances.

Federal Pell Grant Program: Funds received under this program are **not** subject to repayment from the student.

Deadline: FAFSA applications must be received by June 30 in the year on which the application is intended for. SAR or ISIR must be submitted to the financial aid office by August 29, of the award year from which aid is requested from, or your last day of enrollment in 2017 - 2018 whichever comes first. A valid ISIR requires signatures of student, spouse and/or parents, when the ISIR has been corrected.

For more information of the FAFSA application available at www.fafsa.ed.gov

Renewal Process: An SAR or ISIR is valid for one award year (July 1 to June 30 of the following year), and it is **not** automatically renewed for the next award year. Students must re-apply for the FPELL Grant and submit a copy of the **new** SAR or ISIR to the financial aid office.

Disbursement: They are made based on per payment period via a check payable to the student or via a direct credit to the student's tuition account.

DETERMINING NEED

The information you report on the FAFSA form when you apply for aid, is used in a formula established by U.S. Congress that calculated your Expected Family Contribution.

DE utilizes the Free Application for Federal Student Aid (FAFSA) for students applying for aid. This form will be processed by a contractor of the U.S. Department of Education at no cost to the student. The results will be provided in the form of an Electronic Student Aid Report (SAR) with the calculation of the Expected Family Contribution (EFC).

VERIFICATION OF INFORMATION

The academy is required by USDE to verify certain applications that are selected by Central Processing System (CPS). In rare instances, the academy's FAO may elect to verify the application to resolve any questions he/she may have regarding what has been reported on the FAFSA or other documents provided in the student's file.

Verification requirements are applicable only to FSA recipients.

The academy has chosen to verify 100% of its **selected** applications.

The academy will request the student's/parents' tax return transcript of applicant who is selected for verification by USDE. The applicant must submit a copy of tax return transcript if filed in order to complete the verification requirement.

The CPS matches the application data to several databases, including the National Student Loan Data System (NSLDS), to flag certain items. Items, which are questioned, must be resolved before disbursing funds to the student.

When the USDE processes an application, it uses the applicant's social security number, name and date of berth to perform several edits with federal databases. Certain data match edit can result in comment code, or "C" code, that are indicated on the Institutional Student Information Record (ISIR) and must be researched and cleared prior

to federal aid processing. If a "C" code is present on the ISIR, FAO will request documentation from the student to determine eligibility.

The academy's FAO is required to resolve any conflicting information for an applicant. Conflicting information is not exempt from verification requirements.

The academy will not disburse FSA funds until the student has completed required verification. No interim disbursement will be made. The student will be advised completion of the verification process.

VERIFICATION EXCLUSIONS: Applicants excluded from verification include:

STUDENT TUITION RECOVERY FUND (STRF)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be repaid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Each qualifying institution shall collect an assessment of zero dollars (\$0) per one thousand dollars (\$1,000) of institutional charges, rounded to the nearest thousand dollars, from each student in an educational program who is a California resident or is enrolled in a residency program. For institutional charges of one thousand dollars (\$1,000) or less, the assessment is zero dollars (\$0).
